CACM Northern California Law Seminar and Expo 2027 Exhibitor Liability Insurance Requirements

Rainprotection's Exhibitor Insurance Program

As a standard requirement for all our show exhibitors, you are ***required*** to carry general liability insurance coverage for our show, including all relevant additional insureds with minimum policy limits of $1,000,000 per occurrence and $2,000,000 aggregate. **Insurance coverage is not optional.**

To simplify this process, California Association of Community Managers has set up a program with **Rainprotection Insurance** to provide you with a hassle-free, zero-deductible policy that meets all show requirements and covers domestic and international exhibitors. Best of all, your policy is automatically submitted to show management upon purchase.

Submitting Your Own Insurance

If you choose to provide your own insurance instead, you must coordinate with your broker to ensure that your policy is fully compliant with all show requirements. It must meet the following strict criteria:

It is necessary for you to carry general liability coverage from an insurance company in good standing with minimum policy limits of $1,000,000 per occurrence and $2,000,000 aggregate. This insurance must be in force during the lease dates of the event (February 3-5, 2027), naming California Association of Community Managers (23461 South Pointe Dr. Suite 200, Laguna Hills, CA 92653) as the certificate holder. The following must be named as additional insured(s): California Association of Community Managers, Oakland Marriott City Center, The City of Oakland, The Oakland Chamber of Commerce and Their Respective Governing Bodies, Officers, Directors, Employees and/or Agents and Total Expo.

If, after reading the above, you still choose to provide your own insurance, please submit a copy of your compliant COI to events@cacm.org.

Please reach out to sales@rainprotection.net with any **questions** you may have.
We look forward to seeing you at the show!
