Why should you become a CACM manager member?

In 1991, CACM was the first organization in the country formed by community managers for community managers. Join a statewide network of nearly 3,000 fellow community management professionals who are committed to higher standards of practice and ethical behavior. As an active CACM manager member, you'll have access to exclusive benefits including our industry-leading publications, educational courses and events, plus countless other tools designed to advance your career.

CACM manager membership dues are based on a calendar year and payable every January. Should you join in a month other than January, your full annual membership dues of \$225 are to be paid at that time. The remaining prorated portion for the following year will be billed and payable in January. All members must have their calendar year dues paid in full to be considered a "member in good standing" and eligible for member discounts and benefits.
