CALIFORNIA ASSOCIATION OF COMMUNITY MANAGERS ANNOUNCES 2020 VISION AWARD NOMINEES
Live Award Show to Take Place at the Northern & Southern California Law Expos

LAGUNA HILLS, Calif. (January 29, 2020) – The California Association of Community Managers (CACM) will honor the nominees for the 2020 Vision Awards at a special Award Shows held next week during the Northern California Law Seminar and Expo, and in March during the Southern California Law Seminar and Expo. Ninety five individuals and companies made the nominee list this year – 34 in Northern California and 61 in Southern California – the largest pool of nominees the trade association has received since its inception.

The Vision Awards are the highest distinction bestowed upon California community managers. The awards identify those who exemplify the very best in the profession of community management; honors their contributions to the profession; and recognizes the positive difference they make in the lives of their colleagues, homeowners and the communities they serve. Nominees include community managers, management companies and industry partners who exceed the highest standards of professionalism and skill, display a commitment to excellence, and exhibit high ethical standards.

“This year we’ve put together an Oscar-level Award Show to recognize these outstanding individuals and companies,” said Tom Freeley, CAMEx, CCAM, CEO and president of CACM. “We’ve upped the glitz and glamour and all nominees and winners will feel special, which they are. We’re excited to host this unique event during our annual law seminars.”

Awards are given in the following categories: In the individual award category, there are five awards: Rising Star, Innovator, Leadership, Educational Excellence and Social Media ambassador Awards. In the company award category, there are three awards: Educational Excellence, Inspirational Culture and Social Impact Awards.

The 2020 Vision Awards recognize achievements from November 1, 2018 through October 31, 2019. Any CACM member could nominate a CACM member colleague. In addition, any employee of a member, association board member, peer or colleague could nominate a CACM member. CACM also accepted self-nominations. Two five-member committees then reviewed the redacted nomination materials and collaboratively selected the winners. CACM will announce the winners live at the Award Show.
