Disclaimer: CACM markets all events to members through a multitude of communication channels (including email, phone conversations and social media). Although it is always our goal to have as many managers present as possible, we simply cannot (or will not) guarantee a specific number of manager attendees for the day of an event. Sponsors understand the role they play in ensuring managers know of the event by sharing the event to their sphere of influence. We thank you in advance for partnering with us in marketing our events.
