If, at the conclusion of the event, your balloons are drifting in the ceilings of the Santa Clara Convention Center, you may be charged labor costs for removal of the balloons.

Violation of this provision will result in Exhibitor being banned from future attendance at any CACM Show, at the sole discretion of CACM.

GENERAL INFORMATION

FLAMMABLE AND TOXIC MATERIALS

All materials used in display construction or decorating should be made of fire-retardant materials and be certified as flame retardant. Samples should also be available for testing. Materials that cannot be treated to meet the requirements should not be used. A flame-proofing certificate should be available for inspection. Exhibitors should be aware of local regulations regarding fire/safety and environment which must be adhered to. Exhibitors should dispose of any waste products they generate during the exhibition in accordance with guidelines established by the Environmental Protection Agency and the facility. Grease disposal bins are available in the specified wash areas in the exhibit hall.

FOOD & BEVERAGE / SAMPLE PRODUCTS

As the exclusive caterer for the Santa Clara Convention Center, Levy Restaurants does not allow any outside caterers or outside food or beverages to be brought into the building.

If an exhibitor would like to hand out food or beverages in order to drive traffic to their booth, they must purchase all food and beverages from Levy Restaurants.

MOVE-OUT

Immediately upon conclusion of the Exhibit Hall hours on Friday, TotalExpo will be rolling up the aisle carpet to facilitate an overall faster move-out process. Please keep all items, boxes, furniture, and persons in your booth space and out of the aisles until the aisle carpet has been removed from your area.

Crate and storage item return will commence immediately upon aisle carpet removal. The removal process is anticipated to take up to 45-minutes. Please plan your packing and departures accordingly.

MUSIC LICENSING

Exhibitors shall not play or permit the playing or performance of, or distribution of any copyrighted material at the show unless it has obtained all necessary rights and paid all required royalties, fees or other payments.

OTHER REGULATIONS

Hiring of Santa Clara Convention Center personnel to help carry, erect or dismantle displays is strictly prohibited.

OUTSIDE CONTRACTORS

Exhibitors are allowed to designate outside contractors to erect and dismantle their booths. However, exhibitors are required to notify Total Expo by completing the Notice of Intent to Hire an EAC Form located on page 49 of the Total Expo exhibitor pages. The contractor is also required to show proof of liability coverage before setup. If Show Management or Total Expo does not receive proof of insurance, the contractors' employees will not be allowed to work in the exhibit hall.

PROFESSIONAL COURTESY

Exhibitors are restricted from taking any supplies, marketing materials, and/or giveaways from other Exhibitors without their permission. Failure to comply may result in Exhibitor being banned from future CACM Shows.

PROPERTY REMOVAL BY EXHIBITORS

Exhibitors may remove property only through the freight entrances. To discourage early dismantling of exhibits, exhibitors are not allowed to remove property from the hall on Friday, February 4 prior to show closing at 2 pm.

GENERAL INFORMATION

REGISTRATION OF ENTERTAINMENT GUEST(S)

Any guest(s) of Exhibitor must be officially registered with CACM, Inc., and pay the appropriate conference or badge fee. Guest(s) must wear an official Show badge. Guest(s) may include, but not be limited to, celebrity impersonators, caricature artists, massage therapists, and others who provide entertainment within the confines of the Exhibitor booth. All individuals must be 18 years old.

SECURITY

CACM will provide perimeter security to the best of its ability. Security guards will be in the exhibit hall at all times. Exhibitors are encouraged to take steps to prevent theft by cooperating with CACM security policies. If you see any security violation, please report it immediately to the security officers or to Show Management.

SOLICITATION FOR EMPLOYMENT

CACM has a “zero” tolerance policy of individuals and/or Exhibitors, and/or their representatives, who actively solicit conference attendees or other participants at the Show for purposes of employment. Exhibitors are prohibited from this practice. CACM reserves the right, at its sole discretion, to prohibit any Exhibitor, its agent, employee, successor, heir, and assign from any future CACM Law Seminar & Expo should this practice occur.

SOUND

The use of sound systems or equipment producing sound is a privilege, not a right. Show Management reserves the right to determine at what point sound constitutes interference with others and must be discontinued by adhering to the following:

In general, exhibitors may use sound equipment in their booths so long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned so as to direct sound into the booth rather than into the aisle

The 80/80 Rule: Any sound that consistently exceeds 80 decibels measured at the edge of an exhibitor’s booth or is clearly identifiable more than 80 feet from that booth is considered objectionable.

Exhibitors should be aware that music played in their booths, whether live or recorded, may be subject to laws governing the use of copyrighted compositions. ASCAP, BMI, and SESAC are three authorized licensing organizations that collect copyright fees on behalf of composers and publishers of music.

STANDARD BOOTH EQUIPMENT

CACM Exhibit Management and/or its Official Show Decorator, will furnish to all Exhibitor(s) a booth, 10’ deep and 10’ wide, with a background consisting of a draped back to a **height of 8’ and draped divider side rails to a height of 3’** above the floor, a standard identification sign with the Exhibitor’s company name and booth number, one six-foot table with two chairs, and wastepaper basket ***NOTE: Booth carpet is not provided.**

STRUCTURAL INTEGRITY

All exhibit displays should be designed and erected in a manner that will withstand normal contact or vibration caused by neighboring exhibitors, hall laborers, or installation/dismantling equipment, such as fork lifts. Displays should also be able to withstand moderate wind effects that may occur in the exhibit hall when freight doors are open. Refer to local building codes that regulate temporary structures.

Exhibitors should ensure that any display fixtures such as tables, racks, or shelves are designed and installed properly to support the product or marketing materials to be displayed.

GENERAL INFORMATION

SUITCASING

Suitcasing is defined as the unethical practice to solicit or sell products or services to delegates attending a show without the proper authorization by an event sponsor. It is strictly prohibited at CACM Northern California Law Seminar & Expo and any attendee who is observed soliciting business in the aisles, public spaces, or in another exhibitor's booth will be asked to leave. It is Show Management's objective to do everything possible to support our exhibitors in having a successful show so please report any suitcasing you observe to Show Management.

UNATTENDED BOOTH POLICY

Exhibitor and any employees, agents or representatives of Exhibitor must occupy its Booth during official Show/Exhibit Hall Hours. Failure to occupy the Exhibit Booth during official Show/Exhibit Hours will be cause for CACM to refuse future exhibiting privileges. In the event an Exhibitor consists of only one representative, arrangements must be made by the exhibitor for the booth to be covered during show hours

VARIANCES

Any exceptions or alterations to the restrictions and boundaries described herein must meet with the approval of Show Management and must be obtained prior to the booth set up. If Show Management determines that your exhibit obstructs or interferes in any way with other exhibits in the area, you will be asked to conform to the rules during the CACM Law Seminar & Expo. If you are unable to comply with the rules, you may be instructed to dismantle your booth or the part of the booth that does not conform. Show Management will not give refunds to any exhibitors asked to dismantle their booths.

LABOR JURISDICTIONS

When planning for your participation at the CACM Law Seminar & Expo, please note that union labor may be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following guidelines. **Please refer to the TotalExpo Show Site Work Rules, page 71 of the TotalExpo Exhibitor packet, for specific rules.**

MATERIAL HANDLING

Exhibitor personnel may handle their own equipment as long as it does not require motorized or mechanical devices (i.e. fork-lifts, pallet jacks and dollies.) Please note that exhibitors may not use pallet jacks to off-load or load equipment. Any equipment requiring motorized or mechanical devices must be handled by TotalExpo personnel.

INSTALLATION AND DISMANTLING

Exhibitors may perform all the work in their booths with their own full-time company personnel. Please ensure that all full-time employees have valid company identification at show site. Any necessary labor must be obtained through TotalExpo. Labor may be ordered in advance by calling TotalExpo at 310-320-4203 for rates and quotes. They can also be reached at csr@totalexpo.com or on show site at the Exhibitor Service Desk. If you will be employing the use of a contractor other than TotalExpo to setup and dismantle your booth, you will need to complete the “Exhibitor-Appointed Contractor (EAC)” Form on page 70 of the TotalExpo Exhibitor materials. Fees will be assessed to the EAC depending on the size of your booth.

UTILITIES

Electrical services will be performed by TotalExpo personnel. All wiring and electrical installations must be performed by a “house electrician.”

TotalExpo requests exhibitors do not tip TotalExpo or union employees (such practices as giving money, merchandise, and other special considerations for services rendered.) These employees are paid at an excellent wage scale denoting a professional status and tipping is not necessary. This applies to all employees. Any request for such should be brought to the attention of Show Management and a TotalExpo representative at the Exhibitor Service Desk.

BASIC SECURITY MEASURES PROVIDED BY SHOW MANAGEMENT

Uniformed guards will be stationed at entrances, exits and along the perimeter of the floor. This service will be provided 24 hours a day from the first move-in day to the last move-out day. Private guards may be hired from the official security service.

DO'S AND DON'TS OF EXHIBIT SECURITY

- Show Management is extremely security conscious and takes every reasonable precaution to protect your property while it is at the 2022 CACM Law Seminar & Expo., Show Management will not assume responsibility for loss, damage or theft. Each exhibitor is responsible for his or her own property.
- Adherence to the following recommendations and precautions plus the vigilance of the personnel in your booth should ensure adequate security for your exhibit materials and personal property.
- Arrange for insurance coverage to protect your exhibit and product against damage or loss from the time it leaves your premises until it returns.
- When preparing exhibit material for shipment, avoid cartons that identify contents.
- Assign people to be present at your booth when your exhibit material arrives to receive the shipment and to take inventory. Report immediately to security or Show Management any discrepancies between quantities shipped and quantities received.
- Installation is a highly vulnerable period; so pay special attention to items easily pilfered. Place them in locked containers when you can't keep an eye on them.
- Do not put articles of any value in a container marked "EMPTY STORAGE."
- Exhibitor personnel must wear show badges at all times during move-in, show days and move-out.
- During show days, someone should be on duty in your booth one half-hour prior to opening and for the same period of time after all trade guests have left.
- Immediately report to security or Show Management the presence of any unauthorized or suspicious visitors on the exhibitor floor.
- Don't leave personal items unguarded such as coats, wallets, handbags, briefcases, etc.
- Avoid leaving any small items or product samples of significant value in exhibit booths overnight. In the event these items cannot be removed, store out of sight and away from temptation. Use flameproof drop cloths to cover sensitive items when your booth is not manned.
- **REMEMBER** - and remind those staffing your booth - that while guard service is provided by Show Management until the end of move-out, it remains your responsibility to take whatever precautions you deem necessary to protect your property.

SHIPPING & PRODUCT STORAGE

SHIPPING INFORMATION

There are two basic methods of shipping your display materials and equipment for the 2022 CACM Law Seminar & Expo:

Method 1: Shipping to the TotalExpo Warehouse

By selecting this method of shipping, you can ship your materials to the freight company's warehouse to arrive between Monday, January 3, 2022 and January 27, 2022. Materials arriving after January 27, 2022, will be received at the warehouse with an additional after deadline charge. Materials are accepted at the warehouse Monday through Friday between the hours of 9 am – 3:30 pm. **The warehouse will be closed Friday, December 24th 2021, and Friday, December 31st, 2021.** In the event of weight discrepancies or shipments received without a certified weight certificate, a fee will be charged per shipment.

To qualify for this type of shipping, the materials must be crated, boxed or on skids, or carpet and pad. This service includes the acceptance and storage at the warehouse, delivery to exhibit site, unloading freight and delivering to your booth, picking up, storing, and returning empty shipping containers; and reloading freight for return to your specified destination from exhibit site.

The big advantages of the method are that the shipping time does not have to be exact since you have an extended window and you have more flexibility on the carrier used.

Method 2: Shipping Direct to the Convention Center

To use this method, your shipment must arrive on Tuesday, February 1 and Wednesday, February 2, 2022 from 8 am – 4:30 pm. Any shipments received outside the above listed dates will incur additional charges and are not guaranteed to be received. There are no personnel at the Santa Clara Convention Center available to accept shipments prior to the official move-in days.

All other exhibitors should schedule shipments to arrive early on Wednesday, February 2, 2022. This method must be used for uncrated and loose material shipments. Crated, skidded and boxed material may also be delivered at this time. This service includes acceptance of materials at show site, delivery to your booth, removal/storage/return of empty packing materials, and loading of materials on designated carriers.
