MEMBERSHIP DUES

CACM manager membership dues are based on a calendar year and payable every January 1. Should you join in a month other than January, your annual membership dues will be prorated accordingly. The following January you will be billed for the full amount, which is due and payable on January 1. If you pay by credit card, you will be charged only the prorated amount. If you pay by check, any overpayment will be credited to your account to apply towards your renewal. Join online and the prorated amount will be automatically calculated for you. All members must have their dues paid in full to be considered a "member in good standing" and eligible for member discounts and benefits.

PRIVACY STATEMENT

By applying for membership, you consent to receive emails, faxes, and other electronic communications, as well as direct mail, related to CACM membership events, and to products and services of CACM, our industry partners, and other select third parties. You also agree that while membership may provide you access to lists from CACM databases, you will use those lists only in accordance with their express terms, and not for commercial purposes. You also agree to respect CACM service marks and trademarks, and use the CACM brand and credentials in accordance with association approved standards and policies.
